Which in itself is pretty awesome. My first release of my own song is Inhuman by Delicate, it aired sometime 2011.. The whole album is just a Collection of songs what I composed as almost a teen. With the name Nicky New York I have published at least three albums. Tho I have had problems with publishers so all the albums are a bit hard to find on a same platform.. Though All the Nicky New York albums can at least be found on youtube and youtube
