HIALEAH, FLORIDA, UNITED STATES, December 6, 2023 /EINPresswire.com/ -- Representatives with Miami-based [Tattoo Vanish Method, LLC](#) announced that it continues to offer two-day, [non-laser tattoo removal training to non-experienced tattoo artists](#).

"Everyone is welcome to join," said Barbara Gonzalez, spokesperson for Tattoo Vanish Method LLC. "This training includes virtual training; 2-day hands-on training, tattoo removal machine, power supply, foot pedal, and Tattoo Vanish product."

Barbara stressed that becoming a tattoo removal technician is a great way to expand anyone's career or to start a new career path.

"Unfortunately, though, not all tattoo removal methods are made equal," Barbara said. "The fact of the matter is that, with many of them, you just won't get the results you want or expect. However, there's one tattoo removal method. However, that rises above the rest — the Tattoo Vanish Method."

The Tattoo Vanish Method, according to Barbara, is a completely unique, all-natural method for removing tattoos, and best of all, it gets the job done effectively and in fewer treatments than laser tattoo removal, and for a more affordable price.

The company recently celebrated two decades in business.

"It has been an honor serving our customers for the past 20 years," said Barbara. "It seems like yesterday, and for us to see it blossom the way that it has, we're very excited about what the future holds."
