

# Dee Markwith Unveils Riveting Romance Novel: "Billionaire by Design: A BWWM Romance"

*Dee Markwith's 'Billionaire by Design' is a gripping novel with unexpected twists that keep readers engaged until the dramatic finale.*

WARREN, MAINE, UNITED STATES, December 7, 2023 /EINPresswire.com/ -- Dee Markwith, a creative powerhouse hailing from the beautiful city of Tucson, Arizona, is set to captivate readers all over again with the re-release of his novel, "[Billionaire by Design](#): A BWWM Romance."

Markwith began his literary journey in a small coastal town in Maine, turning to creative writing to channel his overactive imagination. With New England's long, harsh winters too much to bear, Markwith packed his belongings and sought a new life for himself in the Southwestern desert, where he continued to explore his creative side.

After working as an editor for a small, in-house publishing company, Markwith daringly surprised this publisher with a novel of his own. They went on to release the book, "Billionaire by Design," and it was met with immediate praise, quickly achieving critical and commercial success. However, the book was released under a pseudonym, and Markwith saw little monetary compensation. His subsequent two books suffered the same fate, being released under fictitious names, and with little financial reward. Robbed of the recognition and compensation he rightfully deserved, Markwith fought to get his books pulled, and eventually won the battle. Finally, Markwith's books have been re-released with proper credit given to this remarkable storyteller.

Originally released under the pseudonym "Tiana Cole," Markwith's smash hit, "Billionaire by Design" is finally available again with Markwith receiving the recognition he rightfully deserves for this romantic masterpiece.
