Adrienne shared that “in the January issue you will find true stories from real women, it’s rare to find all these rockstar stories in one place, there’s even a section dedicated to the fellas because outstanding men deserve to be celebrated for being champions for the women in their lives. This is essential for women’s leadership because they will rise further, faster, when they know the men in their lives have got their backs.” To reserve your copy of the publication, visit this [link](#) on the I Am Unbreakable™ website. Adrienne added “I’m excited to be working with Scott from Magazine Jukebox and his fabulous team, it’s been an amazing experience that has been second to none.”

Scott T. Janney, Co-founder & CEO of Magazine Jukebox, shares his excitement about this new addition to the Magazine Jukebox collection of digital magazines. In the Biztainment Weekly podcast (sponsored by Magazine Jukebox) episode that aired in September 2023, Scott had the opportunity to talk with Adrienne about her story. On the show he stated, “Women need a platform more than ever today, a platform to talk.” That podcast episode can be listened to/watched here. When Scott asked Adrienne to explain her business, she shared “I Am Unbreakable™ is a community geared to featuring, lifting, empowering women of all ages, but also of humans. We do feature a lot of females that are in male predominant industries. But quite simply, it’s about storytelling.”
