Dee Markwith released "One Night with an Irish Billionaire: A BWWM Romance," a captivating novel filled with romance, mystery, and suspense.

WARREN, MAINE, UNITED STATES, December 7, 2023 /EINPresswire.com/ -- Dee Markwith, an extraordinarily talented writer from Tucson, Arizona, has just released his latest masterpiece, "[One Night with an Irish Billionaire](#)." This captivating novel delivers an intoxicating blend of romance, mystery, and suspense.

Markwith began his literary journey in a small coastal town in Maine, turning to creative writing to channel his overactive imagination. With New England's long, harsh winters too much to bear, Markwith packed his belongings and sought a new life for himself in the Southwestern desert, where he continued to explore his creative side.

After working as an editor for a small, in-house publishing company, Markwith daringly surprised this publisher with a novel of his own. They went on to release the book, and it was met with immediate praise, quickly achieving critical and commercial success. However, the book was released under a pseudonym, and Markwith saw little monetary compensation. His subsequent two books suffered the same fate, being released under fictitious names, and with little financial reward. Robbed of the recognition and compensation he rightfully deserved, Markwith fought to get his books pulled, and eventually won the battle. Finally, Markwith's books have been re-released with proper credit given to this remarkable storyteller.

Originally released under the pseudonym "Nia Wilson," Markwith's latest book, "One Night with an Irish Billionaire" skyrocketed up the charts to become a #1 best-seller. At last, this romantic thrill ride is available again with Markwith receiving the recognition he rightfully deserves.
