Close to completion is the couples second film which is a documentary about the border. The project is geared at promoting a secure border through the next Trump

administration . The film is also promoting VFAF endorsed candidate Victor Avila over the establishment incumbent.

The VFAF organization as a team is working on a confidential "Trump" film project that will be released in 2024 after a major announcement on Veterans.

"We are going to hold off releasing trailers or details until after the announcement , this is about promoting Trump not self promoting." said Stan Fitzgerald.

Filming started in what will be the Fitzgerald's third film for the America First movement. The organizational team effort has tight lips about the project and title, but has leaked they already have filmed content from sitting members of congress , celebrities , flag officers and Trump campaign influencers that will come together to help President Donald Trump win his bid for our country's highest office.
