

Upper Providence, PA Launches New GovPilot Partnership And Will Soon Implement Government Management Software

The PA Township just began a new partnership with the government management software provider to streamline operations and services in the municipality.

UPPER PROVIDENCE, PA, UNITED STATES, December 11, 2023

/EINPresswire.com/ -- The Township of Upper Providence, PA has recently implemented government management software solutions into their municipal offices in new partnership with [GovPilot](#) -the

Operating System for Local Governments, in order to automate processes, digitally manage data, and engage citizens via the cloud with GovPilot. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Delaware County, launched a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership will provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solution deployments efficiently and successfully for Upper Providence Township.

Upper Providence added the following solutions to be deployed soon during this new partnership:

[Report-A-Concern Module](#)

[Building Permit Module](#)

Annual Fire Inspection Module

Certificate of Continued Occupancy Module

Fire Safety Permit Module

Upper Providence, PA Launches New GovPilot Partnership And Will Soon Implement Government Management Software

Vehicle Maintenance Module
Floodplain Permit Module
Land Development Application Module
Compost Disposal Application Module
Special Event Module
IT Ticketing Module

All future software solutions deployed by Upper Providence will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling to city hall in person.

GovPilot By the Numbers for 2023

Total Modules Deployed Across all Accounts Nationwide: 330
