EINPresswire.com/ -- LisN, the cutting-edge streaming platform, is proud to announce an exclusive partnership with the talented artist M. Gobert. This collaboration marks a significant milestone for both the platform and the artist, introducing a series of contemporary digital art exclusively available on LisN's new feature, the "LisN Art Atelier."

Discussing the partnership, M. Gobert stated, "Joining forces with LisN is an exhilarating opportunity to showcase my contemporary style to a global audience. The collaboration with LisN's Art Atelier is a testament to the power of technology in bringing art to life in new, exciting ways."

The Academy of Art University, nestled in San Francisco and known for its commitment to nurturing artistic talent, has been instrumental in shaping Gobert's artistic vision. Tragically, M. Gobert faced the loss of an entire art collection in a house fire, leaving only a handful of surviving pieces.
