Some of the key players profiled in the study are PPG Industries, AkzoBobel, RPM International Inc, BASF SE, Jotun Group, Nippon Paint Holdings Co.Ltd, Kansai paint Co.Ltd, Asian Paints Limited, Berger Paints India Limited,. and other Prominent players.

#### Recent News:

23-05-2023: – PPG (NYSE:PPG) announced that it would deliver paint and clear film solutions for automotive and industrial customers through PPG Advanced Surface Technologies, a new joint venture that was formed with entrotech, Inc., a provider of technology-driven film solutions.

01-03-2023: Nippon Paint China and Corning Incorporated donated 5 million RMB worth of Nippon Paint Antivirus Kids Paint (specially produced for frontline hospital use, not available in the market) to four Hubei coronavirus-designated hospitals with a total area of 120,000 square meters.

Competition is an important issue in any market research analysis. With the help of the competitive analysis provided in the report, players can easily study the key strategies employed by leading players in the Epoxy Coatings market. The major and emerging players of the Epoxy Coatings Market are closely studied considering their market share, production, sales, revenue growth, gross margin, product portfolio, and other important factors. This will help players familiarize themselves with the movements of their toughest competitors in the Epoxy Coatings market.

The segmental analysis section of the report includes a thorough research study on key Type and application segments of the Epoxy Coatings market

Epoxy Coatings Market by Technology, 2024-2030, (USD Billion), (Kilotons).

Solvent Borne

Water Borne

Powder Based

Epoxy Coatings Market by Application, 2024-2030, (USD Billion), (Kilotons).

Construction

Transportation

General Industrial

Decorative Coatings

If opting for the Global version of Epoxy Coatings Market; then the below country analysis would be included:

- North America ( The market for epoxy coatings in North America is sizable and expanding holds 35% of total market size. The epoxy coatings market in North America is significant and growing. Factors such as infrastructure development, industrial expansion, and increasing demand for protective coatings drive the market's expansion. The construction, automotive, and aerospace industries are major consumers of epoxy coatings in the region. Additionally, the adoption of eco-friendly and water-based epoxy coatings is gaining momentum. Overall, North America's epoxy coatings market is witnessing steady growth and offers substantial opportunities for manufacturers and suppliers in the region.)
- Europe (Germany, France, the United Kingdom, Netherlands, Italy, Nordic Nations, Spain, Switzerland, and the Rest of Europe)
- Asia-Pacific (The epoxy coatings market in the Asia Pacific region is experiencing significant growth driven by increasing infrastructure development, industrialization, and the automotive sector. Rising construction activities, the demand for corrosion-resistant coatings, and the expansion of the electronics industry are contributing to the market's expansion.)
- South America (Brazil, Argentina, Chile, Colombia, the Rest of the countries, etc.)
- the Middle East and Africa (Saudi Arabia, United Arab Emirates, Israel, Egypt, Turkey, Nigeria, South Africa, Rest of MEA)

Important years considered in the Epoxy Coatings study:

Historical year – 2018-2021;

Base year – 2022;

Forecast period\*\* – 2024 to 2030 [\*\* unless otherwise stated]

Here's how Exactitude Consultancy helps the stakeholders and CXOs through the reports:

**Inculcation and Evaluation of Strategic Collaborations:** The researchers analyse recent strategic activities like mergers, acquisitions, partnerships, collaborations, and joint ventures.

**Perfect Market Size Estimations:** The report analyses the demographics, growth potential, and capability of the Epoxy Coatings market through the forecast period.

This factor leads to the estimation of the Epoxy Coatings market size and also provides an outline about how the market will retrieve growth during the assessment period.

Investment Research: The report focuses on the ongoing and upcoming investment opportunities across a particular Epoxy Coatings market that will help the stakeholders to be aware of the current investment scenario across the market.

Reasons to Procure this Report:

The research would help top administration/policymakers/professionals/product advancements/sales managers and stakeholders in this market in the following ways.

The report provides Epoxy Coatings market revenues at the worldwide, regional, and country levels with a complete analysis to 2030 permitting companies to analyze their market share and analyze projections, and find new markets to aim for.

The research includes the Epoxy Coatings market split by different Types, applications, technologies, and end-uses. This segmentation helps leaders plan their products and finances based on the upcoming development rates of each segment.

Epoxy Coatings market analysis benefits investors by knowing the scope and position of the market giving them information on key drivers, challenges, restraints, and expansion chances of the market and moderate threats.

This report would help to understand competition better with a detailed analysis and key strategies of their competitors and plan their position in the business.

The study helps evaluate Epoxy Coatings business predictions by region, key countries, and top companies' information to channel their investments.

What is new in 2024?

- Major developments that can change the business landscape as well as market forecasts.
- Addition/refinement in segmentation-Increase in depth or width of segmentation of the market.
- Coverage of new market players and change in the market share of existing players of the Epoxy Coatings market.
- Updated financial information and product portfolios of players operating in the Epoxy Coatings market.

- Updated market developments of the profiled players.
- Any new data points/analysis (frameworks) which was not present in the previous version of the report

The new edition of the report consists of trends/disruptions on customer's business, tariff and regulatory landscape, pricing analysis, and a market ecosystem map to enable a better understanding of the market dynamics for Epoxy Coatings.

Customization services available with the report:

- Country level market for Epoxy Coatings market (up to 5)
- Profiling and additional market players (up to 5)
- Up to 40 hours of customization.
- post-sales support for 1 year from the date of delivery.

Please contact our sales professional ( [sales@exactitudeconsultancy.com](mailto:sales@exactitudeconsultancy.com) ), we will ensure you obtain the report which works for your needs.
