ST. Focused on unsolved cases, particularly those with unidentified suspects, the podcast aims to shed light on the darkest corners of criminal investigations.

Season One Unveils Puzzling Crimes from Boca Raton's Town Center Mall in 2007

"Perpetrator Unknown" delves into a series of heinous crimes that originated from the upscale Town Center Mall in Boca Raton in 2007. More than 16 years later, the identities of the culprits behind three brutal murders and a chilling abduction remain shrouded in mystery. Hosted by LA, the podcast invites listeners on a compelling journey to unravel the truth behind these perplexing events.

Launching on the 16th Anniversary of the Bochicchio Murders

The podcast is set to launch on December 12, 2023, precisely 16 years after the tragic Bochicchio murders—a mother and her seven-year-old daughter who were found brutally murdered at the Town Center Mall.

Host LA shares, "As I've embarked on this journey, I'm driven by an unwavering commitment to

unravel the truth behind these unsolved mysteries. The guiding principle for the creation of this podcast is that behind every unsolved case lies a victim and a family waiting for justice. 'Perpetrator Unknown' is more than a podcast; it's a quest for truth and a testament to the resilience of those who seek answers."
