"Quintadena are again delighted to be the Number 1 QuoteWerks Worldwide Solution Partner (17th years in a row)! It's been a great year, loads of new features and enhancements to the product, and we're looking forward to what 2024 will bring, said Paul Hodgetts, Managing Director of Quintadena.

"Our company, Hogan Data, is very proud of our work and the products we offer. We are very proud to be a reseller of QuoteWerks which is a key element of a successful business. Quoting software is crucial for streamlining the [sales process](#) and providing accurate and timely quotes to customers," said Chuck Hogan, President and Founder of Hogan Data. "Many of our customers are software power users and demand quality, ease of use, and require a high-quality software to assist them to be more productive and enable to stay on top of their business. QuoteWerks is the answer to all their quoting demands."

Top QuoteWerks Partners by Country

QuoteWerks is implemented internationally in over 100 countries. Aspire recognized the top partners in several countries:

Top QuoteWerks USA Partner: Linked Systems, Inc.

Top QuoteWerks United Kingdom Partner: Quintadena, Ltd.

Top QuoteWerks Canadian Partner: The Trainer's Advisory Network

Top QuoteWerks Australian Partner: Gold Rush Technology Pty, Ltd.

The 2023 QuoteWerks MVP

The QuoteWerks MVP, determined through a comprehensive survey open for three weeks, celebrates the standout individuals who have significantly impacted the QuoteWerks community. Candidates were nominated by the QuoteWerks Technical Support team, collected from customer feedback, and included a write-in option on the survey.

MVP: Matt Rose with Prestige Quoting Ltd.

Runner-Up: Denise Busam with Equilibrium Consulting LLC.

"Thrilled to have been awarded this title! Personally, with some challenges through the year, it's been a very satisfying time helping a lot of long term QuoteWerks users get even more from their CPQ system," explained Matt Rose, Managing Director of Prestige Quoting and 2023 QuoteWerks MVP. "With some out of the box thinking, dozens of companies are now using QuoteWerks for much more than they were in 2022. Improving efficiency and using tools such as PowerBI to analysing their data."

The 2023 QuoteWerks MVP Survey permitted voters to optionally provide an anonymous comment about their selection.

Some of the comments from the voters about Matt Rose, the 2023 QuoteWerks MVP, were:

"He goes over and above to help and support, he almost always knows the answer straight away, if he doesn't then he solves it quickly. Super friendly, super helpful... Matt is not just in it for the cash."

"His knowledge of the product is exceptional."

"Matt has always gone above and beyond to help us in all and any scenarios. Super fast replies and great service. 10/10 performance all round!"

"Super knowledgeable, always happy to help, and brilliant at what he does!"

"Matt Rose helped me come up with some amazing custom functionality, did so at reasonable price, and left the coding to be something I can tinker with at will to fine tune things. SUPER HAPPY!"

Denise Busam, the 2023 QuoteWerks MVP Runner-Up also received accolades from the voters:

"Excellent individual - always willing to go the extra mile to help."

"We have worked with Denise for many years on QuoteWerks. She always knows the answers to our questions and has helped us with templates and workflows to make QuoteWerks a very useful tool for us."

"Denise is knowledgeable and so professional. She is wonderful to work with!"

"Great service, knowledge and an all around stellar person!"

“Polished professional with a keen eye for detail. Her prompt, no nonsense easy to understand approach distinguishes her.”

Congratulations to all the deserving winners, and Aspire Technologies, Inc. extends best wishes to QuoteWerks staff, customers, and partners for a successful 2024 and beyond!
