

Fieldwalker Productions & Regimation Return with Breathtaking Second Episode of "Northern Mariner" Boating Show

Sacramento director highlights New Melones Lake in Northern California

SACRAMENTO, CALIFORNIA, UNITED STATES, December 12, 2023

/EINPresswire.com/ -- Following the resounding success of their award-winning [first episode](#), Fieldwalker Productions and Regimation are excited to announce the upcoming release of episode two of their captivating boating show, "Northern Mariner." This latest installment delves

into the stunning beauty and rich history of New Melones Lake in Northern California.

Drone view of New Melones Lake

Building upon the momentum of the first episode, which garnered the prestigious [Best of Show Award](#) of Recognition from The Best Shorts Competition, "Northern Mariner" episode two promises another visually stunning experience. Director Michael Stokes once again helms the project, bringing his masterful eye for videography and editing to bear.

“

It's satisfying knowing the audience feels like they're there. I want them to experience the joys of boating. Capture the beauty of the lake and learn a little history too.”

Michael Stokes

Prepare to be captivated by breathtaking drone shots that reveal the vastness and hidden wonders of New Melones Lake. Experience the exhilarating rush of wakeboarding through expertly crafted shots that capture the sheer joy and adrenaline of the activity. Immerse yourself in the

captivating soundtrack that complements the visuals perfectly, enhancing the emotional impact of the narrative.

Beyond the visual spectacle, episode two delves into the fascinating history of the region surrounding New Melones Lake. This insightful exploration adds depth and cultural significance

to the film, creating a richer viewing experience for audiences of all ages and interests.
