

GoodWorkLabs Expands Global Footprint with New Office in Dubai

GoodWorkLabs, a global leader in product development, outsourcing & technology, announced the opening of its new office in Dubai, United Arab Emirates.

DUBAI, UNITED ARAB EMIRATES, December 12, 2023 / EINPresswire.com/ -- GoodWorkLabs, a global leader in product development, outsourcing and technology innovation, announced the opening of its new office in Dubai, United Arab Emirates. This expansion marks a significant milestone in the company's international growth strategy and underscores its commitment to providing cutting-edge tech solutions on a global scale.

The new state-of-the-art office at Meydan Free Zone, strategically located in the heart of Dubai, positions GoodWorkLabs to better serve clients in the Middle East and North Africa (MENA) region and the GCC countries, offering a wide array of technology services, including Product Development, Mobile App Development, Cloud, DevOps, Staff Augmentation, AI, Machine Learning, Gaming, AR/VR, and Digital Transformation Solutions.

Sonia Sharma, CEO and Co-founder of GoodWorkLabs, expressed her enthusiasm for this strategic move, said, "Dubai is a thriving hub of innovation and technology. We are thrilled to establish a physical presence here to collaborate with businesses and entrepreneurs. Our goal is to bring our expertise in tech product development and digital solutions to this dynamic GCC market, helping businesses in Dubai and beyond achieve their tech-driven goals."

With a history of remarkable growth and a portfolio of Fortune 500 clients, GoodWorkLabs is

well-equipped to provide unparalleled expertise in technological innovation. The company's expansion to Dubai is a testament to its dedication to excellence, innovation, and its mission to lead in the premium product and app development sector.

Vishwas Mudagal, MD and Co-Founder of GoodWorkLabs, shared the vision for the Dubai office, "300+ million people are using the products that we have custom built for our clients globally. Now, our expansion to Dubai signifies our commitment to meeting this rising demand for technology-driven solutions in the region. We see enormous potential for growth in the technology and innovation sector, and we aim to play a pivotal role in shaping Dubai's tech landscape."

The new office opening follows GoodWorkLabs' recognition as one of the fastest growing tech companies in India by Deloitte Fast 50 and FT1000 rankings, further establishing the company as a prominent figure in the global tech industry. With the Dubai office, GoodWorkLabs intends to continue its rapid growth in terms of revenue, clientele, and partnership across diverse geographies and industry verticals.

"We invite partners, clients, and tech enthusiasts to visit our new Dubai office and explore the possibilities of innovation and technology-driven success," added Sonia Sharma.
