

# BigBoss wins 3 top titles at World Business Outlook Awards 2023

*BigBoss, one of the most reputed financial brokerage service providers in the world won three awards at World Business Outlook Awards 2023*

SINGAPORE, SINGAPORE, December 22, 2023 /EINPresswire.com/ -- World Business Outlook, a leading Singapore-based online business news media company, recently announced BigBoss, the global forex trading platform from St Vincent and the Grenadines, as the winner of three prestigious titles - [Most Recommended CFD Broker, St Vincent & the Grenadines 2023](#), [Best Cryptocurrency CFD Broker St. Vincent & the Grenadines 2023](#) and [Most Transparent Forex Trading Platform St. Vincent & the Grenadines 2023](#). The award ceremony was held at Marriott Marquis Bangkok in Thailand on November 25.

The award was attended by entrepreneurs and well-established business personalities from across the globe. The award ceremony commemorated some of the most reputed companies from the banking, finance, technology, real estate, mining, tourism, hospitality, healthcare and such other sectors. BigBoss was awarded in the Trading category and was chosen from among several other nominations from across the globe.

The jury members at World Business Outlook illustrated the process while selecting a winner in the financial brokerage industry. The process involved supervising the operating standards of a company under the norms of the regulatory body. The winner was selected on the basis of the standards incorporated for fund protection, beneficial service packages, transparency in dealings and the democratization of their respective platforms. The brokerage firms' overall performance

for 2022-2023 was also taken under consideration by the respected jury members. The jury members further extended that BigBoss impressed everyone through the commitment towards a wholesome inclusion of amateur and professional traders from across the globe.

BigBoss became the winner of the title - Most Recommended CFD Broker - due to its exceptional services which include quick account opening, rapid deposit and withdrawal services, multi-language customer support and more. The recently released BigBoss QuickOrder (BBQ) trading platform, which has integrated most suggestions from their clients and is currently being revamped, will soon be available again. Due to its top-class execution using the Equinix trading servers, BigBoss is considered as the most transparent forex trading platform across the globe.
