NEPAL, December 12, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- In celebration of the first anniversary of its innovative game mode, World of Wonder, PUBG MOBILE is set to release a groundbreaking documentary film titled "LVL 100" on the 13th of

December across its social media channels. This documentary delves

into the vibrant universe of World of Wonder, spotlighting its dedicated user base, map creators, and content creators who have turned their passion for the game into a livelihood.

World of Wonder, PUBG MOBILE's creative mode, allows players to unleash their creativity by combining gameplay devices, scene objects, and game parameters to craft unique custom games. To commemorate the success and evolution of this game mode, "LVL 100" follows the journeys of eleven individuals, with a focus on the emerging sub-culture within World of Wonder.

Among the featured personalities are prominent content creators such as Sanjan 'Cr7 HORAA' Gautam and Safal 'Mr.Hyozu' Hyoju from Nepal, along with Husnain Shahzad 'B2KSamurai' and Abdul 'NotCharlie' Aziz from Pakistan. The documentary aims to uncover the stories behind these gamers, exploring the impact of World of Wonder on their lives and the gaming community as a whole.

At its core, "LVL 100" is not just a celebration of gaming; it's an exploration of human creativity and its profound connection with community. The documentary sheds light on how the player-driven content in World of Wonder has given rise to a unique gaming sub-culture. Through interviews, gameplay footage, and personal narratives, the film provides insight into the intricacies of this burgeoning phenomenon.

LVL 100 the PUBG MOBILE World of Wonder Documentary

World of Wonder has become a playground for creativity, offering various game modes, including Racing, Parkour, Normal Battle Royale, Team Deathmatch, and Escape Gameplay. The diversity of these modes has contributed to the creation of a dynamic and engaging gaming environment, fostering a sense of community among players.

The documentary doesn't merely focus on the gameplay aspects but delves into the broader implications of this cultural shift within the mobile gaming industry. As users consume and actively participate in playing these user-created maps, a new era of mobile gaming is unfolding—one driven by user-generated content and community-driven experiences.

PUBG MOBILE's commitment to fostering the Esports and gaming ecosystem is evident in its continuous efforts to provide unique and engaging experiences. The annual cycle of events, including the World of Wonder anniversary celebration and the release of "LVL 100," demonstrates the brand's dedication to nurturing a thriving gaming community.

As "LVL 100" prepares to take the audience on a captivating journey through the World of Wonder, it not only commemorates the success of PUBG MOBILE's creative mode but also anticipates the potential impact of user-generated content on the future of mobile gaming. This documentary is a testament to the power of gaming to inspire creativity, build communities, and shape the cultural landscape of the digital age.

#### ABOUT PUBG MOBILE

PUBG MOBILE is based on PLAYERUNKNOWN'S BATTLEGROUNDS, the phenomenon that took the world of interactive entertainment by storm in 2017. Up to 100 players parachute onto a remote island to battle in a winner-takes-all showdown. Players must locate and scavenge their own weapons, vehicles and supplies, and defeat every player in a visually and tactically rich battleground that forces players into a shrinking play zone.
