

EcoBCG CEO, Sergio Castillo was named as one of the top 100 business leaders by Twin Cities Business in 2024

MINNEAPOLIS, MINNESOTA, UNITED STATES, December 13, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- Twin Cities Business revealed that Sergio Castillo, CEO of MN-based company, EcoBCG Corporation was named on the TCB 100 Newsmakers and Innovators for 2024.

Sergio is one of the most dynamic and dedicated global leaders when it comes to building a culture of sustainability in companies. EcoBCG Corporation was ranked as the #1 engineering company in the USA in 2023.

The TCB 100 is the list of the top business leaders and personalities to watch, TCB states in their own words: "The TCB 100 is the "little black book" of people in and around Minnesota business likely to make news and drive change in the year ahead."

"I am very honored to be part of this prestigious list alongside many wonderful MN business leaders. A big shout out to our great team of

engineers for making this possible," said EcoBCG's CEO, Sergio Castillo. "2024 will be an exciting year as we continue our growth journey towards being a global leader in sustainable engineering services" Sergio added.

ECOBCG
ENGINEERING SOLUTIONS

The TCB 100 list for 2024 includes CEOs, founders, philanthropists, government officials, and innovators from across the state in many industries. TCB is honoring Beth Wozniak, CEO and chair of nVent, as the 2023 Person of the Year for leading the manufacturer to over \$3 billion in sales this year and prioritizing sustainability and innovation while building a diverse team.

The TCB 100 list is featured in the December 2023/January 2024 issue of Twin Cities Business. The list is available online at tcbmag.com, along with a reveal video featuring candid messages about leadership and plans for the year ahead from those on the list.
