THE NETHERLANDS, December 13, 2023 /EINPresswire.com/ -- Jackie-T began her musical training at the Royal Conservatorium in The Hague, The Netherlands. Her performances with various bands, DJ's and her TV promotions with other artists have made her a much sought after trumpet player at home and abroad.

After an amazing 5-year experience with the theatre duo Mini & Maxi in the programme 'Scherzo' securing sold-out performances at home and abroad, Jackie-T was ready for a new challenge. She moved to Belgium and made a new version of the world-famous number 'Rotation' by Herb Alpert with top Brasschaat producer Serge Ramaekers. This number, along with others, can be found on her CD.

Jackie-T, ready for yet another new challenge, has now released the number 'RED OCEANS' with DJ/Producer DAIM (Damian van Es). The number has been extremely well-received on Soundcloud, and in two weeks has had over 1 million plays.
