#### About the Author

He began his work journey at the age of 14, working his way through High School and attaining a BS in Engineering while employed as a machinist. Upon transitioning to an engineering role, he achieved a Master's in Engineering, followed by a Master's in Business, and dedicated his free time to becoming a Chartered Financial Analyst. His unquenchable thirst for knowledge has persisted throughout their life.

His credentials continued to flourish as he pursued a thriving career as an investment manager, consistently prioritizing ongoing education. In 1996, he initiated a study of philosophy and spirituality following an encounter with skilled clairvoyants during his initial week-long spiritual retreat. Over the past 27 years, he engaged in intensive learning under their guidance, delving into spiritual laws and remedies that now form the essence of their written work.

In response to the events of September 11, 2001, he found inspiration to author six articles that countered the prevailing rhetoric of the time. Additionally, following a stroke experienced by his 20-year-old daughter, he felt compelled to write the "Torn Between Two Worlds" trilogy.

This endeavor aimed to disseminate the wisdom accumulated throughout his life's journey,
