Each year, the event honors Advanced Placement (AP) STEM and English teachers from across the Commonwealth for their significant impact in increasing academic opportunities for underserved students as measured by the success of their students. In addition to celebrating outstanding teachers, four awards are presented to teachers, community members, and partner organizations for their efforts to create more opportunities for student achievement.

“

We are very fortunate to have such a strong force for educational excellence and equity involved in our Partners In Excellence awards program as our keynote speaker.”
