Analysis of COVID-19 impact

The outbreak of the pandemic has had a massive impact on the majority of industries and the Growlers was also not an exception in this regard. The report provides a detailed study on the micro- and macro-economic impact during the pandemic. Additionally, it emphasizes the direct impact of the COVID-19 pandemic on Growlers in the form of qualitative study. The report offers explicit details regarding the market extent and shares during this unprecedented time. At the same time, the major strategies adopted by the market players to combat the global crisis are also covered under the report. Last but not least, the report highlights how the pandemic has distorted the supply chain of the market and takes in a post-COVID-19 analysis too.
