

USCIS Approves Form I-956F Exemplar Application for Wohali Utah Rural EB-5 Project

PARK CITY, UTAH, UNITED STATES OF AMERICA, December 15, 2023 /EINPresswire.com/ -- EB5AN, a leading EB-5 investment fund manager, regional center operator, and consultancy firm, is pleased to announce that USCIS has approved the Form I-956F exemplar application for its Wohali Utah rural EB-5 project.

Form I-956F approval means that USCIS has reviewed Wohali Utah's project documents and found them compliant with EB-5 rules and regulations. By approving Form I-956F, USCIS accepted Wohali Utah's rural designation, job creation methodology, EB-5 loan security arrangements, and other key project features.

Under the EB-5 program, projects are required to file Form I-956F. The I-956F project application must receive approval before individual EB-5 investors in the project can have their immigrant applications approved.

"We are pleased that USCIS has now approved Wohali Utah's Form I-956F," said Sam Silverman, a managing partner of EB5AN. "Project approval is an important milestone in the EB-5 process. Wohali Utah's EB-5 investors now enjoy greater confidence that they will receive their Green Cards based on the project's compliance with the EB-5 program."

"EB5AN is thrilled to add Wohali Utah to its list of projects approved by USCIS," said Mike Schoenfeld, the other managing partner of EB5AN. "Investing in an EB-5 project that has already received I-956F approval reduces immigration risk for EB-5 investors since USCIS has accepted the project as compliant. For Wohali Utah's existing EB-5 investors, this is wonderful news. For foreign nationals looking for a great EB-5 project, Wohali Utah is a compelling, low-risk option."
