Oncology Nutrition Market Top Key Players:

The oncology nutrition market key players include B. Braun Melsungen AG, Fresenius Kabi AG, Hansen Medical, Nestle S.A., Abbott Laboratories, Danone, Mead Johnson Nutrition Company, FMC Corporation, BioSig Technologies, Inc., and Auris Health, Inc.,

Industry Developments:

February 16, 2023 : Fresenius Kabi, a global health care company that specializes in pharmaceuticals, medical technologies, and nutrition products for critical and chronic conditions, announced today the launch of its pegfilgrastim biosimilar, Stimufend® (pegfilgrastim-fpgk), in the United States (U.S.). Stimufend® was approved by the United States (U.S.) Food and Drug Administration (FDA) in September 2022 for use in patients with non-myeloid malignancies receiving myelosuppressive anti-cancer drugs associated with a clinically significant incidence of febrile neutropenia.

October 21, 2021 : Danone Communities, the impact investment fund and social business incubator for low-income populations, announced a new investment in the social business Lucky Iron Fish Enterprise (LIFE) in Canada. With more than 10 million people positively impacted around the world, Danone Communities strengthens its fight against malnutrition for all, thus contributing to the UN's 2nd Sustainable Development Goal (SDG).

Regional Share Analysis:

The oncology nutrition market by region includes North America, Asia-Pacific (APAC), Europe, South America, and Middle East & Africa (MEA).

North America: includes the US, Canada, Mexico

Asia Pacific: includes China, Japan, South Korea, India, Australia, ASEAN and Rest of APAC

Europe: includes UK, Germany, France, Italy, Spain, Russia, and Rest of Europe

South America: includes Brazil, Argentina and Rest of South America

Middle East & Africa: includes Turkey, UAE, Saudi Arabia, South Africa, and Rest of MEA

The North American market for oncology nutrition is highly developed and among the largest worldwide, led by the United States, with Canada following closely. Factors that fuel the market include the region's high cancer prevalence, growing awareness about the importance of nutrition in cancer care, and substantial investments in research and development. The need for personalized nutrition solutions is also increasing, as patients seek tailored treatment options. This trend is expected to drive market expansion, as companies develop customized oncology nutrition products and services catering to the unique needs of individual patients.

The European oncology nutrition market is expected to grow in the coming years due to the increasing prevalence of cancer in the region and the growing awareness of the importance of nutrition in cancer treatment. Some of the key players in this market include Nestle S.A., Abbott Laboratories, Danone S.A., Fresenius Kabi AG, and B. Braun Melsungen AG.
