Skilled Nursing and Rehabilitation Community

Sapphire at Tigard Rehab Helps Patients Recover with Rehab Services

Sapphire at Tigard Rehab is a leading provider of in-house rehabilitation services, ensuring patients receive the highest level of care. While their skilled nursing care and rehabilitation services help patients focus on the physical aspects of recovery, the facility also promotes emotional and mental healing with social activities. Their team encourages patients to build lasting bonds with other patients, developing friendships during the recovery process.

Sapphire at Tigard recognizes the value of a supportive environment for rehabilitation. Their team ensures patients have the necessary support in a smaller facility that promotes well-being. As a contracted provider of Medicaid, Medicare, and managed care plans, patients can trust the rehab facility to provide quality care. They aim to make care as affordable as possible so individuals can recover without worrying about expenses. They have created a healthy, positive environment for a better chance of recovery.

Anyone interested in learning about their rehabilitation services can find out more by visiting the Sapphire at Tigard Rehab website or calling 1-503-639-1144.

About Sapphire at Tigard Rehab: Sapphire at Tigard Rehab is a rehab facility dedicated to providing support and guidance that helps individuals recover from long-term and chronic illnesses, conditions, and injuries. The small facility ensures every patient receives high-quality care in a comfortable environment that guarantees faster healing. Their skilled nurses are dedicated to providing the necessary support and care to ensure patients stay comfortable and

achieve the best results in their healing process. They help patients foster friendships and enjoy social activities with on-site rehab services.
