From innovative designs to sustainable solutions, DFK has consistently demonstrated a commitment to excellence and a passion for pushing the boundaries of engineering

possibilities. The journey of DFK has been chronicled in a captivating commemorative book, offering a glimpse into the company's evolution, major milestones, and the remarkable projects that have defined its legacy. This publication serves not only as a tribute to the past but also as an inspiration for the future, showcasing the firm's dedication to continuous innovation and growth. At the helm of DFK Consulting Engineers are dynamic and visionary directors who have infused the company with youthful energy and a forward-thinking approach. Their leadership

has not only steered DFK through various challenges but has also positioned the firm as a trailblazer in the engineering domain. "As we celebrate our 20th anniversary, we reflect on the incredible journey that has brought us to this milestone. Our success is a testament to the hard work, expertise, and passion of our team," said Cathal Kelly, Director at DFK Consulting Engineers. "We are proud to have contributed to the transformation of Dublin's skyline and are excited about the opportunities that lie ahead." said Emmet Finegan, Director at DFK Consulting Engineers. DFK Consulting Engineers looks forward to the future with optimism, committed to delivering cutting-edge solutions and leaving an indelible mark on the field of engineering. The firm extends its gratitude to clients, partners, and the entire team for their unwavering support throughout this remarkable journey.
