PAHRUMP, NEVADA, UNITED STATES, January 25, 2024 /EINPresswire.com/ -- To hear [Sophie Love](#) sing her bluesy tune with a slight country feel, "Let's Runaway" is an experience to remember. This 18 year old sings her song from the heart. With her unique voice and her own sound, Sophie Love enjoys entertaining her audience.

"Let's Runaway" is based on an experience with a close girl friend talking about each other's problems and wishing they could both just run away from all their trials and tribulations. A normal kind of conversation for teenagers to have. A way for them to get to know each other better.
