

The Heart of Business Wake Forest: Spreading Holiday Cheer and Hope to Two Local Families in Need

Local Wake Forest BNI Networking Group Unites for a Heartfelt Mission to Support Two Wake Forest Single Moms and Their Children During the Festive Season

WAKE FOREST, NC, UNITED STATES,
December 16, 2023 /

EINPresswire.com/ -- The Heart of Business Wake Forest, a local BNI (Business Network International) networking group, has demonstrated the true spirit of giving this holiday season by rallying together to provide support for two local families in need. Both families consist of single mothers with three children each, facing challenging circumstances during these trying times.

The initiative to support these families came after a request from Heritage Elementary School and Wake Forest Baptist Church. Recognizing the opportunity to make a difference in their community, The Heart of Business Wake Forest immediately sprang into action. Dan Kapornyai, President of The Heart of Business Wake Forest and local franchise owner of Nerds on Site, expressed his deep pride in the group's commitment to giving back. He stated, "I'm very proud to be part of this extraordinary networking group. It warms my heart to see how our members have come together to support not one, but two families, especially during a time when our community faces so much hardship."
