

Active World Club Announces the Launch of NSAVx Token

Today is the long awaited launch of the NSAVx ERC20 Token on Uniswap as the primary utility for the newly branded NSAVx.com CEX and digital asset platform.

UNITED STATES, December 18, 2023 /EINPresswire.com/ -- Active World Club ("AWC") announces launch of [NSAVx](#) ERC20 Token for the NSAV technology ecosystem and new [NSAVx.com](#) CEX digital asset platform. This exciting token will be available today on [Uniswap.org](#) and limited to only 250 million with an aggressive value store and retail discount utility in a growing list of online merchant checkouts. This digital asset will be the primary token for all of Net Savings Link Inc (OTC: NSAV) Web3 blockchain based projects. As the internet of

things (IoT) continues to evolve, the NSAVx will expand its utility and continue to integrate with developing partners through NSAVx.com and other proprietary company tech. AWC will continue to provide tech development and blockchain project resources to help the NSAVx Token expand its user base internationally. To this end the Club has lined up some exciting new partnerships for use and marketing TBA. Find the limited NSAVx Tokens on the decentralized Uniswap.org platform today, as AWC and NSAVx.com build an exciting new addition to the blockchain.
