

# AVCLabs Launches its Limited-Time Christmas Sale on Bestselling AI Tools

*Get the best AI tools to enhance videos and photos.*

NEW YORK, NEW YORK, UNITED STATES, December 20, 2023

/EINPresswire.com/ -- [AVCLabs](#), a developer of AI-powered video and photo enhancement software, announces its [Christmas Sale](#), offering customers the opportunity to save up to \$100 on individual products and a bundled package. The sale will run from December 12, 2023, to January 11, 2024, and includes a selection of their best-selling AI programs and multiple subscription plans.

This Christmas Sale is a good opportunity for customers to upgrade their AI tools and enhance their creative projects. [AVCLabs is offering special discounts on its popular AI solutions](#), including:

1.AVCLabs Video Enhancer AI: This AI video enhancer improves the quality of low-resolution video footage, upscaling it to high definition like 2K, 4K, and 8K. It also features an AI face enhancement tool that recovers and enhances faces from blurry scenes.

Original Price: \$299.9/Lifetime, \$119.95/Yearly

Sale Price: \$199.9/Lifetime, \$89.95/Yearly

2.AVCLabs Video Blur AI: This program is designed to protect privacy and redact sensitive information. It can automatically detect, track, and blur faces, backgrounds, and license plates, requiring no keyframes or manual control.

Original Price: \$159.9/Lifetime, \$69.95/Yearly

Sale Price: \$99.9/Lifetime, \$49.95/Yearly

3.AVCLabs Photo Enhancer AI: Classical AI photo enhancement tool of AVCLabs, which can upscale photo resolution, enhance faces, colorize black and white photos, reduce noise, and

adjust color.

Original Price: \$159.90/Lifetime, \$79.95/Yearly

Sale Price: \$99.9/Lifetime, \$59.95/Yearly

4.AVCLabs PhotoPro AI: The AI photo editor streamlines complex image editing tasks and offers AI features like removing objects and backgrounds, erasing and replacing objects, photo enhancement, upscaling, colorizing, and more.

Original Price: \$169.9/Lifetime, \$89.95/Yearly

Sale Price: \$99.9/Lifetime, \$69.95/Yearly

As part of the sale, there is a Christmas bundle available that combines AVCLabs Video Enhancer AI and AVCLabs Photo Enhancer AI at a discounted price, potentially saving up to \$100. The bundle is designed to provide a comprehensive solution for enhancing both video and image content, offering versatility to users seeking a range of creative tools.

For more information about the AVCLabs Christmas Sale offer and the individual software products, please visit the AVCLabs website at <https://www.avclabs.com/special-offer/2023-christmas-sale/>

"We are excited to offer our customers significant savings on our popular AI image and video enhancement software during this holiday season and give back to all users for their support in the past year," said Michael Xiao, CEO of AVCLabs. "It's not our goal to just provide top-notch AI solutions that enhance creativity and productivity. With this Christmas Sale, we hope to make our tools more accessible and affordable for everyone."

With this Christmas Sale, customers can take advantage of the best deals on their favorite AI programs and subscription plans. The yearly and lifetime subscription options provide flexibility for customers to choose the plan that best suits their needs and budget. So if customers are into any of these tools, don't miss out on this limited-time offer from AVCLabs and visit the AVCLabs website to learn more about the Christmas Sale.
