“Congratulations to all the Winners of the 2023 BCIM Awards, it is truly an extraordinary achievement. For all organizations, Employer Branding activities, such as BCIM, are key to attracting and retaining the best talent in the market. This has become increasingly important as the Myanmar job market becomes more competitive. The war for talent in Myanmar is rapidly growing and companies are constantly looking for ways to supercharge their Employer Brand to attract the best talent they can into their leading organizations” said Mr. Justin Sway, CEO of JobNet Group.

Participating companies completed the 2023 BCIM online survey, sharing quantitative feedback to a 70-question Employee Engagement survey, providing valuable information and insights on their employee experiences, professional development, and overall job satisfaction.

The survey results were verified by Deloitte and companies who reached a minimum employee engagement threshold qualified to be recognized as one of the “best” companies to work for in Myanmar, for a given year.

The BCIM program received extensive support from Deloitte as the Official Verifying Partner.

We would also like to extend our appreciation to the British Chamber of Commerce Myanmar and the Myanmar Hong Kong Chamber of Commerce as Official Chamber Partners, for their support in the 2023 Best Companies to Work in Myanmar Awards.
