“

I'm appreciative of the masterful 3D Leadership coaching team, our clients, and my recently retired co-founder who shared the vision of supporting leaders in achieving their full potential.”

Angie O'Donnell, 3D Leadership Group

Today magazine with the Excellence in Executive Coaching Award. Together with 22 other global coaches, O'Donnell was selected by CEO Today as an exceptional leader who has made significant contributions to the executive coaching profession.

Celebrating global coaches who have achieved mastery in their unique space, CEO Today honored O'Donnell and noted that her “[innovative coaching methodologies](#), tailored to individual leadership needs, have significantly impacted executive development, making her a leader in her field.” O'Donnell's clients include global c-suite leaders who have the challenge of leading in environments where

increasing levels of complexity, ambiguity, and the pace of change demand that they are continually evolving.

O'Donnell co-founded 3D Leadership Group in 2007, after successful corporate leadership roles in global HR and executive development, taking her to Zurich and Hong Kong on expatriate assignments. She earned a Master Coach Certification (MCC), an exclusive recognition from the International Coaching Federation, in 2019, and she is an active member of the Forbes Coaches Council and the Women President's Organization (WPO). For the past 10 years, 3D Leadership Group has been recognized nationally as “Women Owned” and operated.

“This recognition from CEO Today is truly gratifying and energizing,” said O'Donnell. “I am excited to continue partnering with executives who are motivated to develop their leadership acumen. I'm also appreciative of the masterful 3D Leadership coaching team, our clients, and my recently retired co-founder who shared the vision of supporting leaders in achieving their full potential,”

O'Donnell added.

"The CEO Today Executive Coaching Awards are a testament to the profound impact these coaches have on developing effective and visionary leaders," said Mark Palmer, editor, CEO Today.
