DCRO Institute*

Aurora is the Chief Learning Officer for SanitasUSA- Keralty based in Miami, Florida. She is a board member of ESADE MBA Alumni, a Barcelona, Spain-based university focused on business and law, and is a former member of the board of directors of Wiley Iberia, one of the world's largest publishing houses. She is also an investor in Firefish Capital, a project created and operated by ESADE Executive MBA graduates willing to support promising startups. She is the former Chief Operating Officer and Managing Director of Gamelearn and has a rich history in the education sector, dating back more than 20 years with such companies as Pearson, McGraw-Hill, Curriculum Associates, and others. She is a graduate of the Harvard

Business School Women on Boards Program as well as other executive education programs at MIT, ESADE, Aalto University, Georgetown, Shanghai Jiao Tong University, and FGV - Fundação Getulio Vargas. She earned her MA from Columbia University and her BA from Temple University.

"Aurora came to our programs through our partnership with WomenExecs on Boards (WEOB)," said David R. Koenig, QRD®, President and Chief Executive Officer of the DCRO Institute. "She has a demonstrated commitment to continuous learning and education programs seen through her broad academic and executive pursuits. Like her WEOB colleagues, she is deeply committed to the best practices of governance, especially the governance of risk-taking in pursuit of the corporate purpose."

The Certificate in Cyber Risk GovernanceSM is awarded to those who have completed [an](#)

[extensive education program](#) led by a global suite of board members, leading C-suite technology executives, law enforcement, and intelligence experts, all with deep knowledge of technology and cyber. Candidate knowledge is validated by evaluation across all subjects covered.

"This course is solid in terms of breadth and depth of content," said Ms. Martinez. "It undoubtedly prepares you to be a strong board member by providing a necessary and competitive perspective on the key topic of cyber security for any board who believes cyber security should be integral to the growth of the business."
