Infopro Learning Wins Gold in Brandon Hall Group's Excellence in Technology Awards- 2023

The 2023 Brandon Hall Group Excellence in Awards™ are given for work in Learning and Development, Talent Management, Talent Acquisition, Human Resources, Sales Enablement, Future of Work, and Education Technology.

Infopro Learning's groundbreaking achievement is a testament to its dedication to providing transformative learning experiences that align with the evolving needs of organizations in today's dynamic and technology-driven landscape.

Commenting on the win, Anu Galhotra, Senior Vice President-Learning Solutions at Infopro Learning, expressed, "We are incredibly honored to receive the Gold Award in the Best STREAM Solution category from the Brandon Hall Group's Excellence in Technology Awards. This recognition validates our commitment to pushing the boundaries of innovation in learning technology in the fields of Science, Technology, Research, Engineering, the Arts, and Mathematics. This achievement is a testament to the dedication of the entire Infopro Learning team to deliver transformative solutions that impact organizational success. We are proud to be recognized as industry leaders and look forward to continuing our journey of excellence in learning and talent development."

Infopro Learning's award-winning solution, distinguished by its effectiveness, innovation, and impact on organizational performance, reflects the company's commitment to pushing the boundaries of what is possible in the realm of learning technology.

As a first-time entrant in the Brandon Hall Group's Excellence in Technology Awards, Infopro Learning's Gold Award in the Best STREAM Solution category marks a significant milestone and underscores the company's position as a leader in the learning and talent development space.

"In our 30th year, the Excellence in Technology Awards continue to showcase the best innovations in learning, talent management, talent acquisition, HR, workforce management, and sales enablement technologies. We are proud to receive applications from a diverse range of organizations globally, reflecting the ever-evolving landscape of technology solutions," said Brandon Hall Group Chief Operating Officer Rachel Cooke, leader of the Excellence Awards program.

Entries were evaluated by a panel of veteran, independent senior industry experts, Brandon Hall Group analysts, and executives based upon these criteria: fit the need, program design, functionality, innovation, and overall measurable benefits.

Excellence Award winners are scheduled to be honored at Brandon Hall Group's HCM Excellence Conference, February 13-15, 2024, at the Hilton West Palm Beach, Florida. Select winners also will serve as presenters in breakout sessions, sharing their leading practices during the conference.

"Our awards program is distinguished by the thorough evaluation process led by industry experts. Judges meticulously score each entry, and our executive leadership team at Brandon Hall Group reviews and validates the judging and scoring. The level of the award is solely determined by the number of points, ensuring a fair and unbiased recognition of excellence in technology," said Brandon Hall Group Chief Executive Officer Mike Cooke.
