

Newark, OH Expands GovPilot Partnership Through The Purchase of Additional Government Management Software

Newark, OH expands their established partnership with GovPilot through the purchase of new government management software solutions to streamline operations.

NEWARK, OH, UNITED STATES,
December 19, 2023 /

EINPresswire.com/ -- The City of Newark, OH has implemented additional government management software solutions into their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Licking County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

Newark, OH Expands GovPilot Partnership Through The Purchase of Additional Government Management Software

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solution deployments efficiently and successfully for Newark.

Newark added the following solutions to expand their GovPilot partnership:

[Right of Way Permit Module](#)
[Driveway/Apron/Curb/Sidewalk Permit Module](#)

All additional software solutions deployed by Newark will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling

to city hall in person.

GovPilot By the Numbers for 2023

Total Modules Deployed Across all Accounts Nationwide: 330

Median Deployment Days: 42
