

# Parsippany, NJ Expands GovPilot Partnership Through The Purchase of Additional Government Management Software

*Parsippany, NJ expands their established partnership with GovPilot through the purchase of new government management software solutions to streamline operations*

PARSIPPANY, NJ, UNITED STATES,  
December 20, 2023 /  
EINPresswire.com/ -- Customer Since  
2016 with 2 Total Modules Deployed

The Township of Parsippany, NJ has implemented additional government management software solutions into their municipal offices throughout 2023 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments.

In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Morris County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solution deployments efficiently and successfully for Parsippany Township.

Parsippany added the following solutions to expand their GovPilot partnership:

[Retail Food License Module](#)

[Retail Food Inspection Module](#)

Public Recreational Bathing Module

Summer Camp Permit Module

Health Licensing Module

Parsippany, NJ Expands GovPilot Partnership Through The Purchase of Additional Government Management Software

Temporary Food License Module  
Septic Permit Module  
Miscellaneous Health Records Module

All additional software solutions deployed by Parsippany will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling to city hall in person.

GovPilot By the Numbers for 2023  
Total Modules Deployed Across all Accounts Nationwide: 330  
Median Deployment Days: 42
