

Sheriff Adewale of Caresify Home Care Announces Another Year of Joint Commission Accreditation

COLLINGDALE, PA, USA, December 19, 2023 /EINPresswire.com/ -- [Caresify Home Care](https://www.caresify.com) proudly announces receiving the esteemed Gold Seal of Approval® from The Joint Commission for Home Care Accreditation. Since 2017, Caresify has been accredited with the Joint Commission, undergoing a voluntary assessment that sets it above other home care companies. This accreditation highlights that Caresify is not an average agency. In a comprehensive, unannounced evaluation, The Joint Commission's expert team conducted an in-depth assessment of Caresify. This involved scrutinizing the organization's adherence to home care standards, assessing the safety and quality of care provided. The rigorous process included on-site observations and in-depth interviews, affirming Caresify's alignment with the Joint Commission's high standards.

The Joint Commission formulates its standards through extensive collaboration with healthcare professionals, patient representatives, and measurement experts. These standards are grounded in scientific research and consensus among experts, aiming to guide healthcare organizations in enhancing their performance.

Ken Grubbs, DNP, MBA, RN, Executive Vice President of Accreditation and Certification Operations and Chief Nursing Officer at The Joint Commission, commends Caresify's commitment. He highlights that The Joint Commission focuses on fostering safer, higher-quality care across various healthcare settings. The commission's innovative tools and evidence-based resources are designed to promote improvement while ensuring accountability through its comprehensive survey methods and standards. Grubbs applauds Caresify's dedication to advancing safety, quality, equity, and compassion in patient care.

[Sheriff Adewale](#), a key figure at Caresify, commented on this significant achievement, saying, "Receiving the Gold Seal of Approval® from The Joint Commission is a proud moment for all of us at Caresify. Preparation for this accreditation is extensive and multifaceted. We conducted comprehensive training programs for our staff, emphasizing patient safety and quality care. We also embraced advanced patient care technology to ensure treatment efficiency and accuracy. Regular internal audits were part of our routine to maintain consistent compliance with the latest healthcare standards. Moreover, we focused on developing a patient-centered approach, which meant tailoring our services to meet the individual needs of our patients with utmost compassion and care. This accreditation is not just an award; it's a reflection of our commitment to providing the highest standard of care and safety in all our services."
