

AUTHOR ROBERT KNUTSON INVITES READERS TO UNPACK THE HISTORY OF CHRISTIAN BELIEF WITH HIM THROUGH THE BIBLE

Author Robert Knutson explores the development of Christianity over the centuries in his book "The Solution? Daniel 11:20-45 - A Historical Interpretation"

LOS ANGELES, CALIFORNIA, UNITED STATES, December 19, 2023

/EINPresswire.com/ -- At some point in this life, one begins to question their beliefs. They either emerge from that doubt as firmer believers or completely abandon all that they once knew about something. For Robert Knutson, it is worthwhile to revisit history during times like these with his book "The Solution? Daniel 11:20-45 - A Historical Interpretation."

The Solution?: Daniel 11: 20-45 - A Historical Interpretation

The Solution? Daniel 11:20-45 is an unpacking of the 11th chapter of the book of Daniel in the Bible. It aims to help readers, Christians particularly, know and understand the history of the Christian belief. Has it been derailed by the Catholic Church? Or has it always been like what it is today?

"By understanding how Daniel's prophecies connect to these centuries-old disputes, the author contends, believers can be "clothed with the righteousness of Christ" and ultimately find a clear path to God," BlueInk Review says.

Robert Knutson graduated from Andrews University with a bachelor's degree in Religion and a minor in business, where he also spent a year as a student missionary. When he was 3 years old, he fell out of the back seat of a car that was going 60 miles per hour. He then suffered a basal skull fracture, temporary blindness, and left-side paralysis with a present-day hemiplegic gait. Because of this experience, he believes God has a special purpose for his life. Years later, he

found his calling to write.
