About StorSafe:

*In 2023, Inside Self Storage (ISS) recognized StorSafe Self Storage on its 2023 Top 100 Operators List for securing third position in year-over-year facility owner growth, with an increase of 48.9%. In a year marked by market challenges, StorSafe is among just seven operators in the Top 100 to see growth exceeding 40%. The nod from ISS underscores StorSafe's operational efficiency, tech advancements, and focus on security and safety, driving their strategic growth through acquisitions, facility expansions, and new developments.

Established in 2021, StorSafe pioneers a new standard in self-storage facilities by blending mobile technology, advanced management software, online tools, facility automation, and state-of-the-art security equipment. With each new facility, StorSafe redefines the customer experience and streamlines its operational processes. Through a unique blend of automation and human expertise, StorSafe delivers a superior self-managed storage solution.
