About the Tax Credit:

The Tax Credit is designed to provide financial assistance to self-employed individuals, including freelancers, independent contractors, and sole proprietors, who have faced income loss due to the impact of COVID-19. Through this credit, eligible individuals can access a cash refund, offering a crucial financial lifeline during challenging times.

Eligibility and COVID-19-Related Qualifications:

To qualify for the Tax Credit, individuals must have experienced COVID-19-related circumstances that resulted in an inability to work or the need to care for a family member during the eligible periods. This includes instances of contracting COVID-19, caring for someone with COVID-19, or undergoing quarantine due to exposure to the virus.

Carli B. Shabazz shared her enthusiasm, stating, "I'm ALWAYS trying to help entrepreneurs get to

the bag. This Tax Credit provides a legal avenue for cash refunds that can make a significant impact on businesses financial well-being."

Key Features of the Tax Credit Application:
