LOS ANGELES, CA, UNITED STATES, December 21, 2023 /

EINPresswire.com/ -- Moore Business Resources, a David Allen Capital (DAC) Affiliate, is proud to announce the launch of the Nation's First Flat Fee Pharmacy Program. This innovative solution aims to address the skyrocketing prescription drug prices that have burdened individuals and families across the nation.

In recent years, the cost of prescription drugs has reached unprecedented levels, leaving many people unable to afford the medications they need to maintain their health and well-being.

Recognizing this urgent issue, DAC has partnered with MyFreePharmacy to create a groundbreaking concept that offers unlimited prescriptions for one flat fee.

With the Flat Fee Pharmacy Program, individuals and families no longer have to make the difficult choice between putting food on the table and purchasing essential medications. By paying a monthly flat fee, customers gain access to a wide range of generic medications at no additional cost. Through strategic partnerships and our strong buying power, we are able to provide these medications for free, ensuring that everyone can afford the prescriptions they need.

"We believe that healthcare should be accessible and affordable for all," said Gail Moore, Director at Moore Business Resources. "The introduction of the Nation's First Flat Fee Pharmacy
