Each year, Bulldog 100 applicants are measured by their business' compounded annual growth rate during three years. The Atlanta office of Warren Averett CPAs and Advisors, a Bulldog 100 partner since the program began in 2009, verified the information submitted by each company.

"We are proud to recognize our incredible alumni who are leaders and innovators in their industries," said Lee Zell, president of the UGA Alumni Association. "These individuals embody the best of what UGA stands for and represent the value of a degree from our university. We're excited to celebrate them and the work they are doing to build better communities."

The university will host the annual Bulldog 100 Celebration on Feb. 9, 2024, to celebrate these alumni business leaders and count down the ranked list to ultimately reveal the No. 1 fastest-growing business.
