Inspired by a real-life baseball game in May 2018, where rookie David Hess made his Major League debut with the Baltimore Orioles, Ernest delves into the personal and intense reactions of Hess's family and friends in the stands. This pivotal moment became the catalyst for "The Call to Major League Baseball," as the author sought to explore the sacrifices, challenges, and triumphs of reaching the pinnacle of the sport.

Doug Ernest draws inspiration for his work from important authors such as James Patterson, Rick Warren, and Alessandra Torre. His debut work, set in the historical fiction genre, is aimed at
