anywhere in the world. This is one big reason why the course is such a great holiday present.

Furthermore, the course itself has a lot to offer people from different backgrounds, as it meets teacher trainees wherever they are at. Whether they are experienced teachers or complete newbies to the TEFL world, the EBC Trinity Cert TESOL course will transform them into effective and sought-after English teachers.

The second part of the programme is a one-year Spanish programme that comes with a 1 year student visa, where enrollees study Spanish with a Cervantes institute-accredited language school in Spain. This is a great opportunity to completely get immersed in the Spanish culture, which is something that sets the programme apart from just any other Spanish course. After all, it allows people to live in Spain, where they get to interact with Spanish speakers on a day-to-day basis even outside of the classroom.

The Road2Spain EBC Trinity Cert TESOL + 1 year Student Visa/ Spanish Programme: A practical Christmas gift

The Road2Spain EBC Trinity Cert TESOL + 1 year Student Visa/Spanish Programme is also practical. The TEFL course is intensive, but during the four-week course, everything is online. Teacher trainees can take the course from the comfort of their own homes. They will not have to worry about having to travel to class, allowing them to focus on the course and have more time to complete the coursework.

Furthermore, the timeline of the EBC Road2Spain package is designed in such a way that by the time Trinity Cert TESOL trained teachers move to Spain to start their Spanish classes, they will already have their Trinity Cert TESOL certificate, ready to work as English teachers and study Spanish at the same time. They will be able to put their English teaching certification to use straight away.

[Spanish immigration law](#) allows Spanish student visa holders to work up to 30 hours a week. As Spanish classes are usually held either in the mornings or in the afternoons, Trinity CertTESOL graduates can work as English teachers whenever they are not in their Spanish class.

A sample schedule, for example, would be going to Spanish class in the morning, and then teaching English at a language academy in the afternoon. There is also a big demand for private English classes in Spain, which means more teaching opportunities for people with the dual certificate Trinity CertTESOL and EBC International TEFL certificate.

The Road2Spain programme including the Trinity Cert TESOL, EBC International TEFL certificate, and 1 year Student Visa and Spanish programme: A sustainable opportunity

The Road2Spain EBC Trinity Cert TESOL programme is a great option for people looking for sustainable opportunities to live, learn, and work abroad. There are various study abroad

programmes, but many do not include work opportunities. The Road2Spain EBC Trinity Cert TESOL programme does. It also gives people the necessary certification to work as English teachers in Spain and earn a living throughout the duration of the programme.

The Road2Spain EBC Trinity Cert TESOL programme is sustainable because it allows people to study Spanish in Spain while teaching English with their official TEFL certification. And, thanks to Spanish immigration law, anyone with a Spanish student visa can work up to 30 hours a week directly with this document.

This programme is also a great opportunity to see the world because it allows people to travel around Europe with their one-year Spanish student visa. Plus, there's nothing quite like the life-changing experience of getting to live in another country. With the Road2Spain EBC Trinity Cert TESOL programme, people get to earn, learn, and travel the world in a sustainable way.

Another reason why the Road2Spain is sustainable is because the EBC Trinity Cert TESOL course comes with the worldwide, lifetime job placement service exclusive for EBC graduates. If, after their stay in Spain, they want to continue teaching English in another country, they can use the job placement programme to secure a job in their next destination. It's really that simple!

And, since it is lifetime and free, at any point in their lives, they can use it to find an English teaching job anywhere else in the world.

The Road2Spain EBC Trinity Cert TESOL programme: An opportunity to experience cultural immersion

The Road2Spain programme is great opportunity to experience cultural immersion. It gives everyone a chance to see a different side of the world and experience a different culture.

The quality of life in Spain with its affordable cost of living makes this Mediterranean country a great place to find a new perspective on life. Furthermore, the country is warm and welcoming, so anyone who enrolls in the programme can expect to make connections not only with Spanish people but with people from all over the world.

The Road2Spain EBC Trinity Cert TESOL certificate course allows graduates to study, work and live in one of the most beautiful countries in the world. Furthermore, the timeline and structure of the programme are practical and sustainable, making it a great opportunity to experience cultural immersion.
