PHOENIX, ARIZONA, UNITED STATES, December 22, 2023 /EINPresswire.com/ -- Today, [SupportU](#) announces that CEO Ron Petrie has made the difficult decision to step down to take care of health issues. Petrie's last day at SupportU will be December 31.

"While we are saddened by Ron's upcoming departure from the organization, we feel that this is the right decision in putting his health and well-being before all else. We respectfully request Ron's privacy in this matter while he and his family focuses on his recovery." Said Dr. Hui Wu-Curtis, Founder/COO.

During his initial involvement with co-founding SupportU as CEO, Petrie has been instrumental in many elements of the startup phase of the company. He brought his decades of executive experience with business development in the BPO industry and helped position SupportU in a competitive market.

Ron Petrie has spent his entire career leading company innovation, growth, and change. He has held leadership positions in higher education, IT outsourcing, professional services, software development, and business process outsourcing, which ultimately led him to start SupportU. Before becoming CEO of SupportU, he served as an executive at Sutherland Global Services, Concentrix, and Altisource Financial Services.

"Although I am sad to step away, I know that SupportU's tremendous leadership team and the guidance and vision of our founder, Dr. Hui Wu-Curtis, will ensure this organization's continued growth and success long into the future," said Petrie.
