SAN ANTONIO, TEXAS, UNITED STATES, December 22, 2023 /EINPresswire.com/ -- Tots to Teens

“

I believe orthodontics is more than just straightening teeth; it's about boosting confidence and overall well-being.”

Dr. Villarreal

Pediatric Dentistry, Kerrville's trusted provider of fun and gentle dental care for little smiles, is thrilled to announce the expansion of its services to include orthodontics! Starting January 15, 2024, families can conveniently access comprehensive [orthodontic](#) treatment for their children right alongside their regular dental care, all under one roof.

Experienced Orthodontist, Dedicated to Children's Smiles

Dr. Villarreal brings a wealth of experience and a passion for working with children to Tots to Teens. She is a board-certified orthodontist with a gentle and understanding approach, ensuring each child feels comfortable and confident throughout their treatment journey.

"I'm thrilled to join the Tots to Teens team and help Kerrville families achieve their smile goals," says Dr. Villarreal. "I believe orthodontics is more than just straightening teeth; it's about boosting confidence and overall well-being. I can't wait to work with children and create smiles that shine as bright as their futures."

A Variety of Orthodontic Options for Every Smile

At Tots to Teens Pediatric Dentistry, families can choose from a range of orthodontic treatments to fit their child's unique needs and preferences. Services include:

- Traditional Braces: The reliable classic, available in a variety of colors for a touch of personalization.
- Clear Braces: Less noticeable and comfortable, perfect for teens and adults seeking a more discreet option.
- Clear Aligners (Spark & Invisalign): Virtually invisible trays that gradually move teeth into alignment, offering ultimate comfort and convenience.
