

# Gasper Landscape Giving Initiatives Provide Christmas Cheer for Bucks County Families and Pets in Need

*Gasper Raises Record Amount for Local SPCA and Surprises Two Local Families at Christmas Experiencing Extreme Hardship*

RICHBORO, PENNSYLVANIA, UNITED STATES, December 22, 2023 /EINPresswire.com/ -- Gasper Landscape Inc. and its team of elves scurried this December to provide Bucks County families and pets in need a warm and welcoming Christmas. Gasper and its associates through its multiple charitable programs provided gifts and donations to two local families in need, the Bucks County SPCA, and the Food Pantry in Warminster.

“As a local family-owned business, our team and customers recognize the many challenges people and pets in our community face, especially at this time of the year, and we are proud to partner with our associates and clients to help those in need,” said Bob Gasper.

Each year the Gasper Gives Program holds a nomination/search process to identify a Bucks County family experiencing extreme hardship. This year two families were selected, and the Gasper elves delivered gifts and gift cards to the families bringing big smiles to the families and their children.

Gasper’s Santa Workshop has collected donations for the Bucks County SPCA for over a decade in honor of Gasper’s adopted stray cat, Momma Cat. This year’s donations reached an all-time high of over \$5,000 for the local rescue organization.

Gasper's adopted stray, Momma Cat, visits Santa's Workshop to see how much money has been raised for the animals.

Gasper Feeds, in its third year, held its annual holiday food drive for non-perishable goods and household items. The collection is given to the Bucks County Food Pantry in Warminster. More families are experiencing food insecurity and the Gasper team and its customers are pleased to support this worthy cause in which the company matches donations to the local pantry.
