About 60 Wharf Drive

Located in the seven-acre West Wharf complex in Greenpoint – just blocks from the border of Williamsburg – 60 Wharf Drive is a 40-story waterfront tower featuring 554 spacious studio-through three-bedroom residences, many with balconies and nearly all with views of the East River, Manhattan skyline, and/or Brooklyn cityscapes. The building offers more than 60,000 square feet of interior amenities and 50,000 square feet of outdoor space.

Designed by SLCE Architects with a Master Plan by Cooper Robertson & Partners, amenity spaces by Peter McGinley, and developed by Halcyon Management, it is the first of two waterfront towers planned at the five-building development. The project's expansive footprint spans across West Street to the East River, between Quay and Oak Streets, at the crossroads of Greenpoint and Williamsburg

Beyond multiple, beautifully designed layouts, 60 Wharf Drive offers a choice of luxury and "WW Signature" level residences, all with operable floor-to-ceiling Thermopane windows, high ceilings, white oak hardwood floors, central HVAC climate control, walk-in closets, and fiber optics. Sleek, contemporary kitchens include stainless steel appliances with gas cooktops and ranges, light wood cabinetry, full-height backsplashes, and white Quartz-and-mineral countertops.

In addition to 60,000 square feet of in-building amenities, West Wharf's "great outdoors"

encompasses landscaped walking paths, comfortably located bench seating, and a waterfront park on the East River with gravel beachfront and three outlook piers.

Building services at 60 Wharf Drive comprise 24/7 lobby concierge, on-site maintenance and management teams, staffed package rooms with refrigerated storage, valet service for dry cleaning, tailoring, and housekeeping needs, complimentary bicycle storage, a state-of-the-art laundry room with lounge seating, resident storage rooms for lease, and an on-site parking garage with E/V charging stations.

As with other multifamily properties in the Halcyon Management portfolio, including 101 Bedford, The Plex, and The Hamilton, 60 Wharf Drive is both family-friendly and pet-friendly. All the residences are designed to benefit from air, light, and open exposures.
