Lubbock Electric Choice: Save on Bills, Choose Your Provider! Texas Electric Service Unveils Options for Cost-Efficient, Green Energy Plans

LUBBUCK, TX, UNITED STATES,
December 27, 2023 /

EINPresswire.com/ -- As the [Lubbock Electric Choice](#) program launches on January 5, 2024, and runs until February 15, 2024, residents are encouraged to shape their energy future. Avoid automatic assignment to a default retail electricity provider with potential rate hikes by selecting a preferred provider before the deadline. The transition to the chosen provider takes effect on March 2024 meter read dates.

This initiative aligns with [Texas Electric Service's](#) commitment to empower

individuals and businesses in Texas through diverse electricity plans, including green energy and prepaid options. A stalwart in the Texas electricity landscape, Texas Electric Service serves various markets, including Houston and Dallas.

CEO Jon Langley reaffirms the company's dedication to helping Texans cut electricity costs, stating, "Texas Electric Service has been at the forefront of assisting Texans in reducing their electricity costs for many years. Our unwavering commitment to this goal remains strong. By examining historical bills and pinpointing usage trends, customers can choose a plan in line with their consumption habits, thereby maximizing savings."
