

# Avigail Schondorf's Alisto: Breaking Barriers with Shame-Free Business Assistance

*Learn more about Alisto and their commitment to empowering local businesses through adaptive and efficient virtual assistant teams.*

ATLANTA, GEORGIA, UNITED STATES, January 4, 2024 /EINPresswire.com/ -- Avigail Schondorf is at the forefront of a transformative movement, heralding the revolution of fractional teams for small businesses. With large corporations benefiting from a global workforce for decades, Avigail is determined to provide similar opportunities to small business owners, ensuring affordability is at the forefront of this evolution.

Alisto wants to redefine how small businesses operate. Alisto's primary focus is on [freeing up time for business owners](#) by introducing fractional executive support teams. These teams of virtual assistants collaborate seamlessly to meet diverse business needs, allowing entrepreneurs the luxury of family time and a peaceful night's sleep, confident that their businesses are in capable hands.

The term "Alisto," derived from a Filipino word that translates to [quick and clever](#), embodies the essence of the company. Alisto prides itself on adaptability and efficiency, aiming to maximize the return on investment for businesses while accurately responding to their unique needs. The company's dedication goes beyond transactional services; it is rooted in the belief that individuals and small businesses can overcome overwhelm and achieve better lives.

“

People should be able to receive the help they need, in the way they need it, without shame or guilt”
