LOS ANGELES, CALIFORNIA, UNITED STATES, January 10, 2024 /EINPresswire.com/ -- Rita

“

I am deeply committed to provide small and women-led companies with the tools and knowledge necessary to get and stay compliance with California's retirement plan mandate.”

Rita Boccuzzi

Boccuzzi, acclaimed Safe Money Expert, Coach, and Speaker, announces two key events for small businesses and women-led companies. These include a comprehensive solution for navigating California's retirement plan mandate, a lunch hour intensive to be held online on January 23, 2024 and her 5-day "Money from the Heart" workshop to be held daily during Valentine's Week, February 12-17, 2024.

Now that California business owners with 5 or more are required to help employees save for their future, they are

faced with new rules and regulations that may be challenging. To help demystify requirements, Boccuzzi created a crash course to help companies get and stay in compliance.

The "Money from the Heart" Workshop:

"Money from the Heart" is a unique personal finance workshop inspired by the principles of the renowned book, "The Five Love Languages." This innovative program adapts the book's premise – understanding and expressing love in different forms – to the context of personal finance management. In this workshop, participants will discover how the concepts of care, understanding, and communication, central to the love languages, can be seamlessly integrated into their personal financial planning and decisions. The goal is to foster a more empathetic and values-driven approach to managing money.
