## Difference Between Campervans and Motorhomes

### Campervans

A campervan is a special kind of van where you can cook, sleep, relax, and of course drive! It is usually referred to as 2-3 berths, making it an ideal choice for couples, best friends, and small family & group. Most campervans also include bathrooms with significant amenities.

### Motorhomes

Motorhomes are typically larger vans as compared to campervans. These vehicles are generally referred to as 2-6 berths and are built on a long wheelbase. Motorhomes are mostly equipped with kitchen, bathroom facilities, and other aspects such as television, air conditioning, and many more that we experience in our homes. In crisp, you will be traveling in a home!
